

Neo Spectra™ ST flow Flowable Composite Restorative

Product Description

Neo Spectra ST flow flowable composite restorative with SphereTEC® filler technology brings enhanced simplicity and versatility to traditional flowable indications.

- Excellent chameleon blending ability enables 5 shades to cover the full VITA®¹ range
- Flow on-demand handling provides optimum versatility
- High strength, polish, and stain resistance for lasting results

Part of the Neo Spectra ST family of composites with SphereTEC technology.

¹ VITA® is not a registered trademark of Dentsply Sirona.
